LUCAS ANDERS LEGACY AWARD

The Lucas Anders Legacy Award is presented to commemorate the work and volunteerism of former Prince Rupert radio host Lucas Anders, who from 2014 to 2016 worked in the city as a morning disc jockey and occasional teacher-on-call with School District 52. As well, he performed with Harbour Theatre Society (founding an improvisational comedy troupe), participated in curling and hockey leagues, and sharpened his public speaking skills as a member of the Prince Rupert Toastmasters Club.

Following his departure from Prince Rupert, a friend and frequent collaborator created this award to benefit high school graduates with a similar commitment to community-enriching volunteer activity — and the intent to follow Lucas into the field of broadcasting.

During his teacher-on-call assignments, Lucas inspired students at local elementary schools, Prince Rupert Middle School, and Charles Hays Secondary School. Therefore this award will be offered for twelve years (2017 to 2028 inclusive), until the last Prince Rupert and Port Edward students who knew "Mr. Anders" have graduated.

The Lucas Anders Legacy Award constitutes \$500 in award money presented to a student graduating from Charles Hays Secondary School.

Criteria:

1. The candidate must be a graduate of Charles Hays Secondary School.
2. The candidate must intend to enrol in a post-secondary institution. Candidates must present proof of their application to a television, radio or other specialized broadcasting program at a recognized university, college or technical school in which they will enrol before 18 months elapse.

If there are no suitable candidates pursuing post-secondary broadcast training, then graduates applying to the Faculty of Education at a recognized university or college are also eligible for this award, with the 18-month deadline for enrolment similarly applicable.
3. The candidate must display excellent citizenship at the school and/or community level.
4. The candidate must be strongly dedicated to at least one extracurricular activity.
5. A 500-word essay or five-minute (maximum) multimedia work is required, on the subject of how media can enrich communities.

Selection Process:

Eligible students may apply for this award by submitting (i) proof of application to a qualifying post-secondary institution and (ii) the requisite essay or multimedia work to school officials. Submissions must be received no later than April 30th.

School officials will provide the applications — with their recommendations based on the criteria above — to the award sponsor.

The award sponsor will select a candidate, considering applicants' merit and recommendations from school officials, in consultation with Lucas Anders himself.

Disbursement Process:

The award will be presented to the selected candidate upon submission to school officials of proof of enrolment at a relevant post-secondary institution. This may occur any time in the 18 months following the candidate's selection as recipient of the Lucas Anders Legacy Award.

Note on Publicity:

The award sponsor reserves the right to publish any applicant's essay or multimedia work in the service of publicizing the Lucas Anders Legacy Award.
