Indigenous Veterans Day

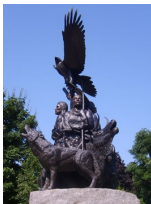

November 8th is a time to honour and remember the Indigenous men and women who served in the First and Second World Wars, as well as the Korean War.

More than 12,000 brave Indigenous Veterans have served and continue to serve in the Canadian Armed Forces, including many local heroes.

You can read about their stories here:

We honour your service and sacrifice.

The Act of Remembrance

They shall grow not old, as we that are left grow old;

Age shall not weary them, nor the years condemn.

At the going down of the sun and in the morning

We will remember them.

We will remember them.

Some of the highlights from the last two weeks:

- Ms. Leighton worked with the Life Skills students to create a lasagna lunch, it was delicious!
- Ms. Clifton came to CHSS and students enjoyed singing and drumming together.
- Mr. Barak's woodwork classes are building insulated cathouses for PURS.
- Ms. Ling's classes did several labs including natural selection and conservation of mass.
- Ms. Robinson worked with Ms. Sawka's class to make frybread and jam from the berries they harvested earlier in the fall.
- Student Leadership started a kindness wall initiative in the MPR where students are posting ideas of how to spread kindness and examples of kindness they have seen at CHSS.
- Jr. Boys, Sr. Girls, and Jr. Girls Volleyball all travelled for tournaments and continued to represent CHSS with their very best on the court. We look forward to cheering on all of our Volleyball teams at zones!
- Soccer travelled to Telkwa for Zones and showed great determination on the field. Way to go Rainmakers and thank you to Coach Will , Ms. Smith, and Assistant Coaches for making this season possible.
- Debate Team hosted their first Debate Jam— debating the use of AI by students. Great job, Debate Team!
