Dec. 22nd– January 2nd—Winter Break

What is the Gym Riot

Gym Riot: A Fun-Filled Afternoon for the Whole School! Get ready for Gym Riot, an exciting activity-packed event designed for everyone! Students will be assigned to one of three teams this year, with plenty of ways to join in the fun.

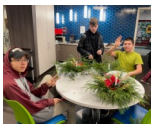

Gym Activities:

Participate in thrilling events like obstacle courses, team challenges, and an opening dance number.

Alternate Options:

If gym activities aren't your thing, don't worry—there's still lots to enjoy! Cheer on your team from the stands or choose from a variety of other activities, including:

- Board games
- Crafting
- Computer games
- A quiet workspace in the library
- And more!

Sign up for these alternate activities at the main office next week. Participation in any activity earns points for your team, so there's something for everyone to enjoy and contribute.

Team Assignments:

Check out the team lists which will be posted outside the Library next week to see which team you're on.

Let's make Gym Riot an unforgettable day!

Theme Week:

Monday– Mismatch Monday
Tuesday– Toes Out Tuesday
Wednesday - Wacky hair Wednesday
Thursday - Team Theme
Friday - Ugly Sweater Day

Some of the highlights from the last two weeks:

- Sr. Girls Volleyball represented CHSS at provincials, coming 14th in the province overall.

Way to represent Rainmakers, and thank you to the coaches, families and community members that made this possible!

- "Almost Maine" is close to opening night, with performances at the PAC on December 4-6th. Tickets can be purchased at Cooks, or at lestercentre.ca
- Shop classes visited Inland Air's maintenance hanger for a tour and overview of aircraft maintenance, educational pathways, and career opportunities.

- Pathways students assisted Ms. Leighton in processing and canning salmon for our Food Sovereignty program.

- Sr and Jr Boys Basketball hit the road this weekend for their first playdays of the season, with Sr.'s coming first in the Kermodes Classic Tournament and Jr.'s winning 2 and losing 1 game. Great work Rainmakers!

- Ms. Smith's class visited Hecate Strait to learn about resume writing and job opportunities in the community.
- Health Canada hosted an immersive education session in the MPR titled "Know More Opioids".
- Life Science 11 went on a fungi walk, locating and identifying local fungi.
